DESCRIPTION

BerryNordic™ Lingonberry is composed of berries grown in the pure, Nordic utopia of Finland. This country is known for its clean air and soil that lacks harmful pollutants. Due to the growing conditions of the lingonberries, they exhibit the highest purity and quality in comparison to berries grown in other countries. This purity is kept intact during the extraction process to provide a concentrated lingonberry complex rich in beneficial vitamins and minerals.

Lingonberries contain nourishing phytonutrients that result in healthy and hydrated skin. In addition to phytonutrients, lingonberries are also rich in vitamin C, omega fatty acids, anthocyanins, phenolic acids, and quercetin. This nutrient rich powerhouse berry can help preserve and maintain the integrity of the skin barrier while providing key necessary nutrition to keep the skin hydrated and supple. Lingonberries have also shown skin firming properties and are compatible for individuals with sensitive skin. It also has a use in acne and scalp care by decreasing inflammation and providing a complementary soothing effect.
