# Castor Oil USP

Highly Moisturizing, Golden Yellow Clear Liquid Oil

## BENEFITS

SMA'RT Castor Oil USP is a vegetable oil derived from the seeds of the castor oil plant *Ricinus communis*. The castor oil plant is primarily grown in Africa, South America, and India. SMA'RT Castor Oil USP is produced by cold-pressing castor seeds. Castor oil contains antioxidants that fight free radicals in your body, which are responsible for accelerating the aging process and causing wrinkles. Castor oil also has antibacterial properties. Bacteria on your face can clog pores and lead to acne. Castor oil has anti-inflammatory properties, which can help reduce swelling and puffiness. It also contains moisturizing and soothing benefits, which keep skin looking young, shiny, and healthy. SMA'RT Castor Oil USP is a prevalent ingredient in lipstick and lip gloss due to its ability to reduce dry lips while providing a creamy texture.

INCI: *Ricinus Communis* (Castor) Seed Oil

Suggested use level: less than 50%
