# Menthol Natural Crystals USP

Cooling, Aromatic, Soothing  
and Relaxing!

## BENEFITS

SMA'RT Menthol Natural Crystals are produced through mint essential oil (*mentha arvensis*) extraction. The oil is quickly frozen and causes the menthol to crystallize. It is a waxy, crystalline substance that is clear or white in color. SMA'RT Menthol Natural Crystals have a fresh cool minty aroma and a relaxing quality. SMA'RT Menthol Natural Crystals is known for its refreshing flavor.
